## FAMILY INFORMATION

It is very important that we have the most current information listed for you and your child. **PLEASE** let the office know when there are changes that affect us being able to reach you. **This includes, but is not limited to, your address, phone numbers, work place, and email address.** Regular nannies' and sitters' information should be kept updated also. **New policy:** If you add a person to your pickup list, we must have **written permission** (text or on the phone is not permitted) of the person's name, address, and phone number prior to picking up your child. If this is not received then your child will not be released to that person. We will add additional spaces for your pick up

## HEALTH POLICY

The problem with communicable disease is that it is prevalent in every group, including KKPS. **Parents must make other arrangements for the care of their children when they show symptoms of any deviation from normal health.**

If your child becomes ill at school, you will be notified. Your child will be kept separated from the group until taken home. If you are notified that your child is sick, you are responsible for making the necessary arrangements to pick up your child within one hour of the call.

**Children MAY NOT come to school if they have any of the following** (not limited to only these symptoms—for more information on communicable diseases/symptoms, visit [www.doh.state.fl.us](http://www.doh.state.fl.us)):

- Fever of 100 degrees under arm (auxiliary) or higher—**must be fever free for 24 hrs. without medication before returning to school**
- Diarrhea—**must be diarrhea-free for 24 hours before coming back to school**
- Vomiting—**must keep food down for 24 hours before coming back to school**
- Excess nasal discharge
- Green nasal discharge
- Draining rash or undiagnosed rash lasting over a 24-hour period
- Eye discharge or pink eye
- Open oozing sores and scabs, unless properly covered and 24 hours on antibiotic treatment
- Head lice—until treatment is effective and a follow-up check has been made by school personnel
- Any contagious disease

If a child arrives at school experiencing any of the preceding symptoms, parents will be called to pick up their child within one hour. **Children must be fever free, symptom free, and/or be on antibiotics for 24 hours to return to school. Kingdom Kids Preschool reserves the right to refuse a child's admittance into the preschool based on symptoms and to ask for a doctor's note upon child's returning to school.**

In the event the school needs to notify you that your child is not well or there is an emergency, we must be able to reach you or, if you are not available, someone on your emergency contact list. **Please notify the school if your phone numbers change or your emergency contact's phone number changes.**

## BIRTHDAYS

Birthday treats **NUT-FREE** (donuts, cupcakes, cookies, vegetables) can be sent in to be eaten during snack time. All birthday invitations should be done outside of school and should not be handed out anywhere inside the building.

## SNACKS & LUNCH

Parents are responsible for sending in healthy, nut-free snacks and lunches for their children. Snack is eaten every morning. **Please send your child's snack in a separate container marked with your child's name.** Snacks could consist of items such as goldfish, vegetables, cheese, fruit snacks, or pretzels and juice. Occasionally, special snacks will be provided as part of the curriculum. You will be informed by your child's teacher through the class newsletter or calendar. Lunches are provided by the parent daily. **New Policy:** Foods that are associated with young children's choking incidents **must not** be served to children under the age of 4 years of age, such as, but not limited to, whole/round hot dogs, popcorn, chips, pretzels nuggets, whole grapes, cheese cubes/ cheese sticks or any food similar in size. The foods must be cut into ¼ inch, ½ inch or smaller to prevent choking. Foods will be sent home if not cut appropriately.

Below are the following guidelines for packing your child's lunch:

- No soda, candy, Gogurts, fruits cups with juice or anything that needs to be heated or cooled
- Provide containers that a child can learn to easily open on their own
- **This is a Nut-Free Facility**, please refer to our "Nut-Free Facility Policy" on page 8
- No large juice bottles with lids, i.e. Gatorade, Powerade, etc.
- Sun Butter (sunflower seed) or any peanut butter alternative must be labeled so the teachers are aware that it is appropriate.
- Water bottle with straw lid/leak proof. Please be sure the size is appropriate for a young child.

Please make sure that your child's teacher and the preschool director are aware of your child's allergies and how to treat him/her in case a problem arises. If any emergency medication must be given, you will have to submit a "Medication Authorization" form to the preschool director. You will need to complete one of these forms if ever medication (prescription or non-prescription) must be administered at the preschool. The children will have a scheduled lunchtime every day. You will need to pack lunch for your child. Please pack food that will keep well in your child's lunchbox. **We cannot heat up or refrigerate food.** Lunches MUST be well balanced - no soda or candy. Children will be encouraged to eat their healthy food before they may eat snack foods and desserts.

## MEDICATIONS

- If a child requires medication, the proper "Medication Authorization" form MUST be completed by a parent each week.
- NO MEDICATION PLACED IN BACKPACKS
- Medications may be dropped off and picked up in the preschool office between 9:15 a.m. and 3:30 p.m.  
**MEDICINE IS NOT TO BE LEFT IN THE CLASSROOMS AT ANY TIME.**
- Medication will be dispensed by office staff. Teachers do not dispense medication or apply skin treatments (for example: sunscreens, lotions, Tylenol, etc.)
- Medication must never be put into a child's water bottle, cup or food.
- All medication must be in the original container/box with full instructions on the label.—**Needs to have prescription label.**
- The first dose of a medication must be given by the parent in order to watch for possible reactions.
- A physician must prescribe over-the-counter medications. The doctor's instructions must be in writing on a prescription pad or school medical form.
- Ongoing treatments (i.e. asthma or skin conditions) also require the weekly "Medication Authorization" form.
- EPI-PENS **NEED** to be in the prescription box with prescription label, with allergy paper.

## NUT-FREE FACILITY POLICY

Kingdom Kids Preschool is a "Nut-free" facility. This means that the following items and/or foods containing the following are not permitted anywhere on the school premises (outside playground and preschool parking lot included or on any field trip):

- Peanuts
- Tree nuts (for example: cashews, walnuts, almonds, macadamia, etc.)
- Peanut butter (for example: sandwiches, candy containing peanut butter, peanut butter crackers, peanut butter granola bars, peanut butter cereal, etc.)
- Almond butter, Almond milk or chocolate spreads (for example: Nutella)
- Baked goods containing nuts and any form of nuts—please be aware that nuts also come in the form of a paste, oil/extract, or flour.
- Any product that states on the package, "this product is made in a facility that processes nuts, or on shared equipment with peanuts and tree nuts."

**Therefore, parents MUST read all ingredient statements on food and baking ingredient packaging BEFORE bringing anything into the classroom.** Please ensure there are **no nuts** in the ingredient statement. Ask your child's teacher or the director should you need assistance in reading ingredient statements. This applies to anything brought into the school, such as snacks, birthday and holiday treats.

## TOYS, PERSONAL ITEMS & DRESS

We ask that all toys and personal “treasures” (for example: jewelry, silly bands, trucks, cars, stuffed animals, baby dolls) be left at home, unless your child’s teacher has specifically asked for your child to bring in an item for show-n-tell, etc. Toys and treasures could be lost, broken or taken mistakenly by another child. All items such as backpacks, lunchboxes, extra clothes, coats, sweaters, and jackets should be **clearly marked** with your child’s first and last name.

**Children must wear secure closed-toed shoes and socks; no sandals, flip-flops, boots or backless shoes (This includes Crocs).** Please dress your child appropriately for weather conditions. **NEW POLICY: The students are not allowed to have hoodies, capes, draw-string jackets or necklaces worn on the playground. If they wear a hoodie outside, then it will be tucked in, so be sure to send in a hat.** If it is cold, please make sure they have an appropriate jacket. If it is very cold outside, then your child may wear a winter coat. Most winter coats have hoods. That will be acceptable only on a winter coat. The children will go outside every day, hot or cold. Unless it’s raining, the children will play outside. We reserve the right to call you to bring your child another pair of shoes/clothes before they go to the playground if we feel they are in danger of injury.

All children need a ziplock bag with a complete change of clothes (shirt, socks, pants, and underwear). **Please mark the ziplock bag and all items in it with your child’s name.** The clothes need to be changed as the weather/season changes.

## DISCIPLINE

It’s our job as early childhood educators to model what is acceptable behavior at our school. Our staff establishes and consistently enforces reasonable, age-appropriate limits, which help foster self-discipline within the children. We place more emphasis on what children “may do” than what they “may not do.” If behavior situations arise (**aggressive behavior directed towards other children or staff- kicking, biting, hitting, profanity, destruction of property, etc.**) there are steps to take to help resolve any behavior issues. It is our goal to guide families through discipline strategies and difficult times. We are partners in this goal. Be assured that every discipline issue will be handled in a prayerful, loving, and productive way. Our goal is to place the child’s development and that of his or her family as top priority.

**The following are procedures that will be followed by the school:**

1. Children will be under a “grace period” during the first two weeks of school as they adjust to classroom rules and rituals. During this time of adjustment period, inappropriate behaviors will be logged by teachers and then reported to the parents. School suspensions will not occur during this “grace period” time.
2. At the end of the “grace period” teachers will document and communicate any abusive and aggressive behaviors. Any consistent negative behavior will be documented on an “incident report” that the parents will need to sign and a conference will be scheduled if needed.
3. After a behavioral conference occurs, a child will be monitored closely for signs of behavior that does not significantly decrease immediately, a parent will be called in for a second conference, and the child will be suspended for 3 consecutive regularly scheduled school days. There will be no refund or pro-rating of tuition during suspension.
4. After suspension occurs and a child returns to school, behaviors will continue to be monitored closely for signs of improvement or signs of continued abuse or aggression. If the negative behavior continues without improvement, the child will be suspended again for 3 consecutive regular school days. After 3 suspensions and no drastic change in behavior, the child will be removed from the school. There will be no refund or pro-rating of tuition during a suspension or after a child is expelled.

All families are required to be given and to acknowledge receipt of a childcare’s Behavioral, Disciplinary and Expulsion Policy. These guidelines were included in required and signed paperwork. They remain on file as long as your child is in our program or unless guidelines change.

## PARENT AND TEACHER RELATIONSHIPS

Teachers are required to keep the parent(s) informed of school and classroom information and happenings. Your child's teacher will supply you with a monthly calendar highlighting main activities in the class.

The director will provide a quarterly newsletter to the parents to inform you of school-wide information and happenings. Other updates will be sent out via e-mail and/or at [www.kingdomkidsjax.com](http://www.kingdomkidsjax.com) to inform you of current events and updates.

**Anytime you have questions or concerns about your child's class or teacher, please speak directly to the teacher.** Please feel free to call and leave teachers a message so that they can schedule a time to see you or return your call at convenient time.

Each classroom has its own Shutterfly website. Parents will be invited via email at the beginning of the year to join the website since the sites are private. Be sure to visit this site to stay up to date with your child's class, pictures and information that you need to know.

The director has an open-door policy - anytime you have concerns regarding your child, the staff, or the school that you feel would be best addressed with the director, please feel free to speak with her.

Please remember this:

*Our relationship with our families is a top priority!  
You are all part of the Kingdom Kids family, and we love you all.*

## STUDENT EVALUATIONS

Children will be evaluated on a monthly basis using an age-appropriate and curriculum-based evaluation form that is structured for each age level. You will be given an opportunity to have a parent teacher conference after the first of the year. At this time, your child's teacher will review the evaluations with you, along with any other praise or concerns she may have about your child's development or academic progress.

These evaluations will stay on-site here at the preschool. Teachers will be happy to make you a copy of the evaluation at the time of a conference or anytime you request. Teachers are also required to do monthly observations on your child within the classroom setting. These observations are designed to help us teach and reach each child better and on a more individual level. Our goal is to really get to know your child and how he/she learns.

Please note that we are required to refer developmental delays and or areas of developmental concerns to Early Intervention or Child Find. Information about these programs is available from the director.

VPK students are assessed 3 times during the school year in agreement with the Early Learning Coalition. Assessment scores are sent home after each administration. These assessments are meant as tools for our teachers to monitor the growth the child is making throughout the school year, as well as to guide instruction.

## CURRICULUM

Kingdom Kids Preschool has a curriculum based on age-appropriate activities and themes and incorporating some of the Wee Learn© Curriculum. The VPK classes use the ELLM Plus curriculum and the Three's classes use Bob Jones. Each age group has a curriculum structured for them. We are striving to have children well prepared for kindergarten, as well as children with social skills and hands-on experiences that they will need in and out of the classroom.

Our preschool is Christ-centered and the children will be exposed to prayer, chapel, Bible stories, morals and values. We will be using some of the Abeka© Bible curriculum and other curriculums in our classrooms to help illustrate the stories and tell them on a child's level.

Our staff does believe that play is a child's work, and many activities in which your child is engaged during their day will not be able to be taken home, hung on the wall or seen with your eyes. Children are exposed to opportunities that allow for interacting socially and working individually, making choices, learning responsibility through using materials and equipment, building self-esteem, and developing problem solving and critical thinking skills. These skills are learned through playing with blocks, creating art, cooking, playing outside, using puzzles, and listening to stories—just to name a few.

## MORNING DROP-OFF

Each morning from **9:15 a.m.-9:30 a.m.** is **Two's and Three's drop off**. **VPK drop-off is from 9:10-9:20 a.m.** Our assistants will be outside to bring children into the preschool area. They will get your child out of the car and escort them into the building. Our drop-off procedure is for your convenience as well as to help the teachers start their school day on time. In addition, your car must be parked when your child is being removed from the car. **The child must be secure in their car seat.**

If you arrive at the preschool after our staff has completed drop-off you will have to walk your child to the door; however, we ask that you please make every effort to be on time for drop-off, and please allow staff to escort children to their classrooms. When you are late, it disrupts the learning process when you enter the classroom area. **If a student is asleep in the car, it is the parent's responsibility to park the car and wake up their child. We will not take them out of the seat if they are asleep. In addition, students are not allowed to bring in their breakfast into the school. If they are still eating breakfast during drop off, they must leave it in the car or the parent may park the car in order for their child to finish.**

**After 9:30 a.m., the doors will be CLOSED and LOCKED.** These doors are locked to protect our children and staff. They will be unlocked each afternoon at 12:50 p.m. and locked after all children have been dismissed. If you are late for drop-off or early for pick-up you will need to ring the bell to enter. You will be required to state who you are and what business you have.

**We run our facility like a school and we believe that this helps the families be properly prepared for elementary school. We hold children as well as parents to a high standard and expect rules to be followed.**

## AFTERNOON PICK-UP

**2s & 3s** pick-up starts at 12:50 p.m., and we ask that all children be picked up by 1:00 p.m. **After 1:05 p.m. you will be charged a \$5.00 late fee for every 5 minutes thereafter. Once it is 1:15 p.m., the student will be sent to Extended Day and parents will be charged the \$15 fee.** Please be on time, as our teachers must clean up from the day, get their own children from class, and prepare for the next day. We do understand there are emergency situations - simply call and inform us if you are aware that you will be late due to an unforeseen circumstance (you will not be charged a late fee).

**VPK** pick up time is at 1:15 pm and all children should be picked up by 1:20 p.m. The same late fee applies for VPK/Pre-K starting at 1:25. They are placed into Extended Day at 1:30 p.m. and then parents would be charged the Extended Day rate which is \$15.

## SAFETY

The safety of the children, their families and our staff is of the utmost importance. Please drive **slowly (15 mph)** as you turn onto the road leading up to the church. Proceed slowly through the parking lot to the carline. **Do not get out of your car; the staff will get your child out of the car seat. The children need to be buckled in their car seat properly when the staff removes them from the car. It is against the law for our staff to remove a child that is not buckled in their seat.** Do not cut out of carline and go around cars ahead of you. When leaving, please come to a complete stop at the stop sign. In the morning, if you need to park your car and come into the school, please park in the west parking lot, and walk up the sidewalk. Do not walk through the cars in the carline!

If you need to park your car, park in marked parking spaces only—**not along any curb**. These marked spots are part of the carline.

Repeated violations of these guidelines will result in you being asked to park in the west parking lot and walk your child to the entrance. Thank you for your help in keeping Kingdom Kids a safe place!

## STUDENT INFRACTIONS

If any of the rules stated in the handbook are broken, for example: being late, not wearing the proper attire, etc, your child will receive a student infraction. **Three infractions will lead to a conference with the director, the teacher, and the parents. Six infractions can constitute suspension.** Kingdom Kids Preschool wants to prepare you and your child for elementary school. This infraction system will help the school keep families accountable.

## SMOKING AND CELL PHONES

The parking lot and building are **NO smoking and NO cell phone zones!** Please do not talk on your cell phone as you drive into the parking lot and while you are waiting to drop off or pick up your child. **Your child will not be taken out of the car, if you are on your cell phone, nor will he/she be released to you if you are on your phone when you come to pick up him/her.** Your child needs your undivided attention.

## INCLEMENT WEATHER

Kingdom Kids Preschool follows the same guidelines that are used for canceling Duval County public schools during a threat of a hurricane or any other serious weather condition. In the event that public schools are canceled due to inclement weather, Kingdom Kids Preschool will be closed also. Please listen to news on the radio or TV for information regarding possible school closings.

## SECURITY AND SOCIAL MEDIA

**If someone other than you picks up your child and our staff does not know them, the individual will be asked for photo ID and records will be pulled to verify their authority to pick up.** This is for the safety of our children. Please inform anyone who is coming to pick up your child that they need to have a photo ID on them ready to show if necessary. Please let staff know whenever someone new will be coming and add names and numbers to your child's emergency contact list through the teacher or director whenever necessary.

**Social media** is wonderful for communication and connecting with people. It, however, is not the place to air out any complaints or issues with any teacher, administrator, parent or concerns regarding the school. If you have any concerns, please come and talk to the Director. Failure to follow this rule could result in suspension.

## PLAYGROUND

We love having our playground and allowing our families to enjoy it with their children after school. However, it is important that we adhere to the playground rules that are posted outside. The school will close the playground if the children are not being properly supervised by their parent/legal guardian. Below are the playgrounds rules that the teachers follow; these rules apply for after school as well:

1. Do not play in the mulch
2. Students should be wearing shoes with backs in order to play on the playground
3. All equipment must be wiped down if wet
4. No pushing students on the swings or helping them on the monkey bars. Students should only be allowed on the monkey bars if they are able to go across themselves.
5. Gate needs to be kept closed at all times
6. No climbing up the slides
7. Please clean up all litter
8. No climbing, hanging, or pushing on the fence
9. No hoodies, capes, draw string jackets, necklaces while playing on the playground
10. No climbing on top of any the houses

Failure to comply with the rules will result in the playground being closed after school.
