

“This is my commandment: Love each other in the same way I have loved you.” John 15:12

For the month of November, we will be partnering with Beam Food Pantry by donating dry food and canned goods for the less fortunate. Every year hundreds of children and families go without food, not just at the holidays, but EACH day. This is our opportunity to teach the kids about giving and serving, as well as having a heart for those in need!

We love teaching your children; it is amazing to see them discover new things academically in the classroom! However, the most valuable lesson a child can learn is to love. God is love and we strive for each child to know that God’s love for us is not to be kept to ourselves but to be shared with others. It is a chance to be the hands and feet of Christ. Please use this as an opportunity to show your child that it is better to give than to receive. 😊

Each class will donate a different item (see list below). All donations can be dropped off during carline.

All donations need to be submitted no later than Wednesday, November 16th.
