- November 28: School resumes
- December 14 & 15: Happy Birthday Jesus Parties
- December 16: Christmas Program @ 11:30 am
- December 19—January 3: Holiday Break

The Holidays are almost HERE!

It is hard to believe that 2022 is coming to a close! Your children have already learned so much and have so much more to learn in 2023! We have tons of great events coming up.

As the year progresses, I cannot urge you enough to begin fostering independence in your little ones. There are many reasons this (see the box on the back) is important.

In promoting this independence you are helping your child to develop a sense of well being, confidence, and problem solving. It also aides your children in school as they are able to complete tasks and follow routines by themselves.

Building independence can begin at ANY age! We would love to help you discover ways to create this virtue in your child so, if you need suggestions, let us know!

Coming January 2022

Scholastic Book Fair

The week of January 20-27, 2023 we will be hosting the **Scholastic Book Fair** at Kingdom Kids Preschool!

This is a wonderful opportunity for you to:

- Add to your home libraries,
- Introduce your child to new concepts,
- Bless our preschool. A portion of all sales helps us to buy new books for the classrooms.

More information will come in the new year, along with fun theme days and activities!

Scholastic Book Fair

Baby, it's cold outside!

With colder temperatures coming, please be sure to dress your child for the weather.

We go outside EVERY day!

Annual Charity Drive

This year we are continuing to partner with BEAM to collect food for the homeless and those in need. You will be receiving a flier soon outlining how you can help and what donations each class will be collecting.

Thanksgiving Feast

It seems as if school just started and yet, here we are planning for Thanksgiving! Our school wide feast will be on Monday, November 21st . We will be asking for you help with food donations. More information will be sent about two weeks before the feast. Please be on the lookout for an email from us via **Sign Up Genius** to choose what you can donate for our feast. The items should then be labeled with your child's name, class, and brought to school on Monday, November 21st. We will have a cart at car line to put the items on. If your child has any dietary restriction, please let us know.

As this day approaches, you will receive reminders on what you are bringing.

CHRISTMAS PROGRAM

Kingdom Kids Christmas Program is on
Friday, December 16th at 11:30 am.

Please drop your child off in carline as usual.

Teachers will inform you if your child needs to wear anything special. If you did not receive special instructions from the teacher, please send them in festive holiday clothing. All guests will be welcomed in the Worship Center for the performance starting at 11:20 am. When the performance has concluded, the children will be dismissed from their row. VPK will be dismissed from their classroom. ***There will be a small reception following the program.***

You will have the opportunity to pick up your child's crafts, take pictures, and have cookies & juice.

We look forward to this joyful celebration and remembering the birth of our Savior!

Independence is important because...

1. It promotes confidence and self-esteem as well as motivation and perseverance in school.
2. It fosters self-reliance, allowing your child to feel they have control over their life.
3. It gives your child a sense of importance and **belonging** which is essential for building social relationships and for contributing to the world.
4. It develops their levels of self-awareness and sensitivity towards others which teaches them to help those around them.
5. It teaches them self-motivation as they have the freedom to find their own reasons to achieve.
6. It provides them with the belief that they are competent and capable of taking care of themselves which makes them resilient to external challenges.
7. It allows them to become **good decision-makers** as they have the freedom to consider various options before choosing the one they feel is best.
8. It develops other vital qualities such as patience, concentration, self-help, cooperation, self-discipline and self-trust.
9. It gives them the freedom to experience life fully and learn its many important lessons.
